

The
SA GROUP

Aircraft galley equipment aftermarket support

Full galley equipment support

Through The SA Group member, Scandinavian Avionics Greece S.A., The SA Group provides sales, certification, installation and repair services on aircraft galley equipment, such as: aircraft ovens, coffee makers, water boilers, beverage makers etc.

Complete turn-key solutions

Scandinavian Avionics Greece S.A. provides complete turn-key galley equipment solutions, including:

▶ **Equipment**

We stock and supply a wide range of aircraft galley rotables, expendables and consumables for sale, exchange and loan.

▶ **Certification**

Via our Part 21 design department at our Headquarters in Denmark, we offer certification for any galley equipment solution in any type of aircraft.

▶ **Installation**

We provide installation services for any galley equipment solution at at one of our facilities around the world or at any other EASA Part 145 approved facility.

▶ **Repair**

From a one off repair to a full support contract for an entire fleet, we deliver the most cost-effective and flexible solutions.

Please feel free to contact us regarding any galley equipment requirements or other avionics inquiries.

Scandinavian Avionics provides complete turn-key avionics solutions, including avionics logistics and parts support, maintenance (MRO), certification, design & engineering, installation, product development, training and consultancy services with the primary business platforms being larger helicopters, corporate aircraft, regional airliners and defense electronics.

Scandinavian Avionics is the headquarters of The SA Group – an experienced avionics organization with divisions in Sweden, Norway, Greece, Malaysia, Bahrain and India. Since the foundation in Billund, Denmark in 1978, core values like quality, reliability and flexibility have been deeply rooted in the organization and are the main reasons for the excellent reputation among aircraft operators around the world today.
