

INTERNATIONAL AVIATION COMPANY IS LOOKING TO HIRE INSTRUCTOR / SALES MANAGER / ADMINISTRATOR FOR OUR TRAINING DEPARTMENT

The Job

Our EASA Part-147 approval is enabling us to perform training of technical personnel within the aviation industry. To continue our positive development, we seek to hire a new employee for our team, to take care of a key function in the department. Referring to our Training Manager you will be working with the following:

- Development of training and course material for B1 and B2 type training, continuation training and other training courses with relation to the aviation industry.
- Conduct training courses as Training Instructor for both internal and external customers.
- General development of our training department in close collaboration with our Training Manager and business development functions.
- Sales and Administrative tasks.
- You will be working autonomous as well as being part of a team of specialized colleagues.

Your profile

- You have a background as B1 or B2 technician (preferably both).
- You have experience with conducting theoretical as well as practical training.
- Detailed knowledge about EASA Part-147, Part-66 (Appendix III) and Part-145.
- You have high quality standards.

Personal Competences

- You are flexible and thrives with multiple parallel tasks.
- You are structured and conscious about quality.
- You communicate well in English and preferably Danish (writing and speech).
- You are disciplined with your data and work.
- You have a natural flair for IT and works well with MS Office.
- You have a high moral for working independently.
- You have a service minded attitude.

We Offer

A job with great variation and opportunities, working with good colleagues in a flat and informal organizational structure.

Interested?

If this description seem like a good match to your profile, please send your application to the following e-mail address: kcf@scanav.com and mark the e-mail "Instructor" in the Subject field. Your application should be in our possession before COB on the 15th of October 2017.
